

Hotel Park City Announces Luxurious New Ballroom Addition to Complement Existing Event Space

PARK CITY, Utah – September 29, 2008 – “Exceeding expectations and the needs of our guests booking private function space, as well that of our event and meeting planners has been the driving force behind our decision to build-out additional ballroom space we opened” said General Manager Guy Morris. The 3000 sq. ft. *4-Season’s Ballroom* at Hotel Park City opened late September. This addition complements the already versatile and spacious indoor and outdoor event space at Hotel Park City, bringing the Hotels total event space to over 20,000 square feet.

The *4-Season’s Ballroom* at Hotel Park City accommodates up to 200 people in a variety of event settings including weddings, receptions, banquets, theater style, school room and trade show set up. Located in the main Hotel lower level, adjacent to The Spa at Hotel Park City, the ballroom is easily accessible and offers a covered foyer entrance which keeps everyone warm and comfortable during those snowy days and nights. The décor of the *4-Season’s Ballroom* is a continuation of the luxurious lodge theme found throughout the existing event salons and meeting rooms. The ballroom’s amenities include wireless internet and centralized sound system.

Suited for groups of 10 to 200, Hotel Park City’s main floor, second and third floor event space includes flexible salons and meeting rooms with scenic views and technology that accommodates the most demanding presentation and communication requirements. Experienced support is on site to respond to every need. The Hotel’s spectacular golf course and spacious rose garden setting also offer unrivalled opportunities for outdoor receptions or functions; access from the lobby to the lawns, restaurant terraces and pool terraces is effortless.
